This policy is written with regard to [Keeping Children Safe in Education](#) and should be read in conjunction with the following Westbrook Hay School policies:

- [Child Protection and Safeguarding Policy](#)
- [Educational Visits Policy](#)
- [Health and Safety Policies](#)
- [Pupil Supervision Policy](#)

PREVENTATIVE MEASURES

Westbrook Hay endeavours to ensure that no pupil goes missing and has measures in place to minimise the likelihood of this happening and take the necessary action, should the situation arise:

- The welfare of all our pupils is our primary concern. Every adult who works at the school has a key responsibility for helping to keep all of the pupils safe at all times.
- All new staff receive an induction into the importance of effective pupil supervision and all staff receive regular reminders during Staff Inset.
- Pupils register on arrival for Breakfast Clubs from 07:30, formal registration is taken throughout the school in the morning between 08:00 and 09:00, depending on the age of the pupils, during the afternoon at or after Lunch and Deregistration/Sign Out, and at the beginning/end of after school clubs and wraparound care finishing at 18:00.
- Clarification regarding Sign Out and when the school is responsible for pupils:
 - Pupils are not considered to be in the care of the school once they have been signed out to a parent after school.
 - Pupils are not considered to be in the care of the school if they are attending a school social event (Westbrook Hay Association 'Fun Day', Former Pupils' Day etc.) with or brought by their parent.
 - A pupil leaving the school site should be signed out by a member of staff who has made visual contact with the parent or they are sure that the pupil is going to their parent.
 - If a pupil is going home with another pupil's parent, permission should have been received and granted by both parents before leaving the school site.
- The school has rigorous procedures for pursuing unexplained absences, including the aim to contact parents by 09:30 if a pupil has not arrived in school and the reason for absence is not known. This should ensure that staff become aware at the earliest opportunity of any pupils who may have gone missing on the way to school. In these circumstances, this policy will be followed.
- A record is kept by the School of any instances in which a pupil is absent from school without satisfactory permission and documentation, including the action taken and the pupil's explanation.

- Staff regularly check the correct pupils are attending lessons or activities, sending an 'All Staff' email and notifying the School Office if this is not the case, and undertake regular roll calls and/or headcounts.
- Staff maintain the appropriate high level of supervision throughout the day and are aware of the location of the pupils in their care at all times. EYFS pupils are always supervised within ratio.
- When on excursions outside the school premises, staff implement strategies to maximise the safety and security of the pupils in accordance with the school's [Child Protection and Safeguarding Policy](#), [Educational Visits Policy](#), [Health and Safety Policies](#) and [Pupil Supervision Policy](#).

The above measures ensure that situations where a pupil could go missing are very limited.

STEPS TO BE FOLLOWED BY STAFF IF A PUPIL GOES MISSING FROM SCHOOL

Our procedures are designed to ensure that a missing pupil is found and returned to effective supervision as soon as possible.

A pupil is considered missing if:

- They are not present at the lesson or activity they are supposed to be attending, and a 'period of grace' of no more than 5 minutes has passed, with staff continuing to have no information concerning their whereabouts.
- Their absence is suspicious in any way.

STEP 1 – If a pupil is considered to be missing, as defined above, staff would carry out the following actions:

- Ask the other pupils in the class if they are aware of the whereabouts of the missing pupil.
- Send an 'All Staff' email and notify the School Office, sending a 'runner' if systems are down, advising that a pupil is missing.

STEP 2 – If no positive response to this email is forthcoming within 5 minutes, the following actions should be taken within the next 5 minutes:

- The School Office must be informed by staff to co-ordinate a search, they should, in order:
 - Check any paper work or emails which may have given the pupils permission to be out of school;
 - Check the signing in and out records at the Reception Desk;
 - Speak to the relevant Section Heads;
 - Check Music Practice Rooms;

- For EYFS pupils arrange for one or more adults to search everywhere in Nursery, both inside and outside, carefully checking all spaces, cupboards, washrooms where a small pupil might hide.

STEP 3 – The pupil has now been missing for at least 15 minutes, the following actions should be taken:

- If not already aware, the Head, the Designated Safeguarding Lead (DSL) and the Designated Safeguarding Team should be informed.
- Heads of Section should now instigate a search of their own areas and communal areas.
- Members of the Executive Group (EG) should coordinate all available staff, and possibly older pupils, to search the school premises and grounds for the missing pupil, with staff taking a mobile phone so that they are in contact with the School Office.
- Members of EG should allocate staff to search the school drive, the perimeter footpath and the route to the golf club.
- The Bursar should coordinate a check of the CCTV records for signs of entry and/or exit.
- If the pupil's home is within walking distance, a member of staff will check to see if the pupil has gone home, they would set out on foot to attempt to catch up with the pupil.

STEP 4 – If the pupil has not be found after a 30 minute search, the following actions should be taken:

- Activate a Fire Drill to gather the whole school on the Hardcourt.

STEP 5 – If the pupil is still missing, they have now been missing for between 45 and 60 minutes, the following actions should be taken:

- The Executive Group should decide what information should be given to the other parents, staff and other pupils and how media enquiries are to be dealt with.
- The DSL will notify the Police and inform the [Local Children Safeguarding Board](#) (LSCB) (Telephone number: 0300 123 4043) who will liaise with the safeguarding partners including local children's services as appropriate. The DSL will check with LSCB that this has happened.
- The school would cooperate fully with any Police investigation and any safeguarding investigation by Social Care and the local authority.
- The Head will contact the pupil's parents/guardians to explain what has happened, what steps have been set in motion and ask those parents/guardians to come to the school.
- The Head will inform the Chairman of Governors and the Bursar will inform the Insurers.

STEP 6 – Once the incident is resolved, the following actions should be taken:

- Talk to and take care of the pupil and comfort as necessary.
- Conduct an investigation and complete a written report.
- The Head should meet with the parents/guardians of the pupil to discuss events, providing an account of the incident and, if appropriate, involving Social Services and Local Children's Safeguarding Board.
- If the pupil is injured and is taken directly from the scene of the accident to hospital for treatment a report would be made under RIDDOR to the Health and Safety Executive as

soon as reasonably practicable and no later than 15 days of the incident. If appropriate, procedures would be adjusted.

- The Head and DSL will consider any action that needs to be taken in line with the school's [Child Protection and Safeguarding Policy](#) about the welfare of the pupil.
- The school will always consider the wider circumstances around a pupil going missing from school and whether there are wider safeguarding concerns that may need to be addressed in line with the [Child Protection and Safeguarding Policy](#).
- The Executive Group and DSL will review all relevant policies.

 - Informing the Chair of Governors and the Insurers;

STEP 3 – Once the incident is resolved, the following actions should be taken:

- Talk to and take care of the pupil and comfort as necessary.

If a pupil is not collected by the end of the school day 18:00 or after an organised event that finished later than 18:00, or takes place over a weekend (Cosy Camping etc.) or during the holidays (Ski Trip etc.), the following actions should be taken:

- Within at least 30 minutes of the stated collection time, staff should call the parents/guardians of the pupil concerned using the contact numbers provided.
- If there is no answer, staff will begin to call the emergency contact number(s) for the pupil, where reasonably possible the school will hold more than one emergency contact number.
